

Here is a list of items each student will need for guitar lessons. I encourage my students to bring a 3-ring binder to each lesson. We use the binders to be able to quickly recall previous lessons and to keep all of the material we have studied together.

I also recommend putting a number of empty sheet protectors in the binder. These are used to keep previous lessons neatly organized and easy to recall.

Student Checklist
Guitar Acoustic or electric
Instrument Tuner My recommendation is the Snark Clip-On tuner. (any model)
Guitar picks A few medium, thin and heavy gauge picks are fine.
Metronome Buying a physical metronome is a great option, if the student has a smart phone, there are apps for metronomes which work just fine as an alternative. For Android devices I recommend '7Metronome' by Sándor Török.
3 Ring Binder
70-Sheet Notebook Basic lined paper for lesson notes.
Sheet Protectors (recommended)
